## Point Values

1000 Points = \$10

### How to Accrue Points

Its easy to get points! The Client Loyalty Program was created as a "Thank You" to our Loyal Clients. All you have to do is continue to treat yourself to special service offerings or retail purchases & you will automatically receive Client Loyalty Points.

### Added Benefits

Throughout the year, Ultimate Image Salon & Spa will run specials via e-mails & on Facebook on selected special service offers & retail products to earn extra points.

- **2000 Points** for referring another client (Be sure your referred guest tells our customer service representative your name at the time of checkout)
- **500 Points** for Pre-Booking during first visit (new client)
- **500 Points** for trying a service for the first time
- **200 Points** for pre-booking next service at time of checkout
- **500 Points** for visiting Salon in your Birthday Month
- **1000 Points** for Purchasing a Gift Card in the amount of \$500 or more
- **5 Points** Per Dollar Spent on Retail

## Are there any exceptions?

\*Points can not be used to pay sales tax  
\*Points cannot be used for gratuity  
\*Points cannot be redeemed for cash  
\*Points will never expire. If you have not been to the salon in a year your client account is removed from our data base. Regretfully the points will be removed as well.

## How Can I view my points?

Client Loyalty Points are electronically tracked in our database. Your points are posted at the top of your work ticket. You may inquire with your service provider or customer service representative.
